Address:-

Regd. : H.no-772, Group-3, DDA, Janta,
Flat, Hastsal Uttam Nagar
Delhi, WEST DELHI, DELHI
110059

Corp. : 16, Community Center, 3rd floor,
East of Kailash, New Delhi-
110065, India

Applications:

1. Fire Rated Duct Work
2. Fire Rated Steel Structures
3. Fire Rating of Petroleum & Gas Industries – Hydrocarbon Fire
4. Electrical Cable Coatings
5. Electrical Shaft Penetration sealing
6. Curtain walls, Duct openings sealing
7. Vertical & Horizontal Penetrations
8. Insulation Protection for condensation & UV control
9. Fire Rated Duct Joint sealants & Gaskets
10. Heat Reflective Paint for metal and RCC buildings

11. Fire Rated Duct Joint sealants & Gaskets
12. Heat Reflective Paint for metal and RCC buildings

Certifications & Approvals:

1. BS 476 Part 20&24 from CBRI, Roorkee – Ventilation Ducts
2. BS 476 Part 6&7 from CBRI, Roorkee – Fire Propagation & Surface Spread of Flame
3. BS 476 Part 20&21 from AFITI, Spain – Steel Structures Members
4. Certified with National Test House, Government of India
5. Conforms the criteria of IGBC & LEED Rating

Manufacturing Facilities:

Total Capacity/Year	-	3600 Ton
Machinery	-	High Speed Dispenser, Milling, Grinding machines
Research & Development	-	In association with CBRI, IIT Roorkee ASFP, UK and IIT Delhi, FEUKEM is focused on R&D works at various level
Quality Assurance	-	To ensure the quality products manufactured at FEUKEM, we perform various test for raw materials & final finish products in our in house laboratory
